## **Security Program Notice**

***Attention current and prospective Summit NW trade partners:***

***Summit NW encourages our customers, agents and vendors to participate in appropriate government-sponsored security programs whenever possible.***

***We are members of the Customs-Trade Partnership Against Terrorism ([C-TPAT](#)) sponsored by US Customs and Border Protection.***

***We strive to maintain supply chain integrity and security and prefer trade partners who have a formal process to maintain supply chain security and chain of custody are committed to this process as we are.***

***If you can suggest any improvements to our security, or if you are aware of a specific risk or threat to our facilities, conveyances, systems or cargo, please contact us immediately at the number below.***

***By helping each other maintain supply chain security we can make the world a safer place for all of us. We appreciate you working with us towards this goal. For information about [C-TPAT](#) please call us.***
